

2024 | 25 Opera Discovery Project

Program Overview

Grade Levels: 6–12

Program Duration: 4 sessions (typically once a week) plus 1 performance field trip to Lyric

Session Length: one full class period (50-60 minutes) for each participating class

Opera Discovery Project engages students in grades 6–12 in the study of opera through activities that integrate language arts, music, drama, and performance skills. Students gain a rich understanding of a selected work, its history and context, and important themes. Working in collaboration with the classroom teacher, a Lyric teaching artist guides students through a creative process to reinterpret select operatic scenes with their own words and music. The program includes a field trip to the Lyric Opera House to attend a final dress rehearsal. Teachers can determine a session schedule that coordinates with the established class meeting schedule.

Program Goals

- Foster an appreciation for opera and demonstrate opera's relevance to students' lives
- Introduce the essential elements of opera
- Explore music's role in conveying emotion and action in opera
- Promote language arts, social and emotional, and arts learning through creative group work
- Create access to live, world-class opera performances
- Provide resources for teachers from which they can develop and support student learning experiences about opera

Time Commitments

- Teachers must devote the **entire** class period (50-60 minutes) to each of the **four** teaching artist led sessions.
- Sessions typically occur once a week during a regularly scheduled day and time and will be determined by the classroom teacher and teaching artist (*e.g.*, Tuesdays at 10:00, or Thursdays during 3rd period).
- Teachers will collaborate with Lyric Unlimited staff to organize a field trip to the Lyric Opera House to attend the final dress rehearsal of the selected opera.
- Each session occurs in the classroom, during regular class meeting times (**not** after school).
- Teachers are required to participate in a one-hour planning meeting with the teaching artist before the program begins. The purpose of this meeting is to orient teachers to the program, discuss roles and responsibilities, learning objectives, and session meeting schedules.

Partnership Commitments

- Teacher approaches sessions as an **active, engaged participant** and maintains classroom discipline
- Teacher copies and distributes any necessary materials for the program

- Lyric Opera provides passes to the final dress rehearsal
 - *Bus scholarships may be available for qualifying schools*
