We recommend arriving at least 30 to 45 minutes prior to the performance.

TICKETS & GROUP CHECK-IN PROCESS

- 1.) Please distribute tickets to students while on the bus before entering the Lyric Opera House. Students will each need a printed ticket in hand to find their seat location.
- 2.) Upon arrival, please have one group leader check in with the group sales team (students should remain on the bus). We will be standing outside the main entrance with a clipboard or just inside the lobby at a hi-top table. Please give your school name and exactly how many people are in attendance. We will then manually check in your entire group rather than scanning individual tickets.
- 3.) Once given the "okay" from Group Sales, students can then line up along the building in a single file line and enter. Be sure to group students with chaperones prior to entering the building. We ask that you do not crowd the entrance and quickly make your way to the stairs to your seats. Please limit the use of elevators to those with mobility restrictions.

BACKPACKS & SECURITY

All persons entering the theater will be subject to a safety and security search, prohibited items may be confiscated.

Please advise students to leave backpacks on the bus. Large bags/backpacks are prohibited in the auditorium; guests will be asked to check their large bags at one of our coat check locations for a fee of \$2 (cash only).

PRE OPERA TALK

Complimentary preshow talk begins one hour before showtime runs for 30 minutes. Seating is general admission on the main floor. Please note pre-opera talks are not available for the musical and special events.

LUNCHES

If anyone is bringing a lunch from home, please plan on eating on the bus either before or after the show. Concessions will be available before the performance and during intermission. Please note concessions are cashless. We accept all major credit cards and Apple Pay. Outside food and beverages are not permitted.

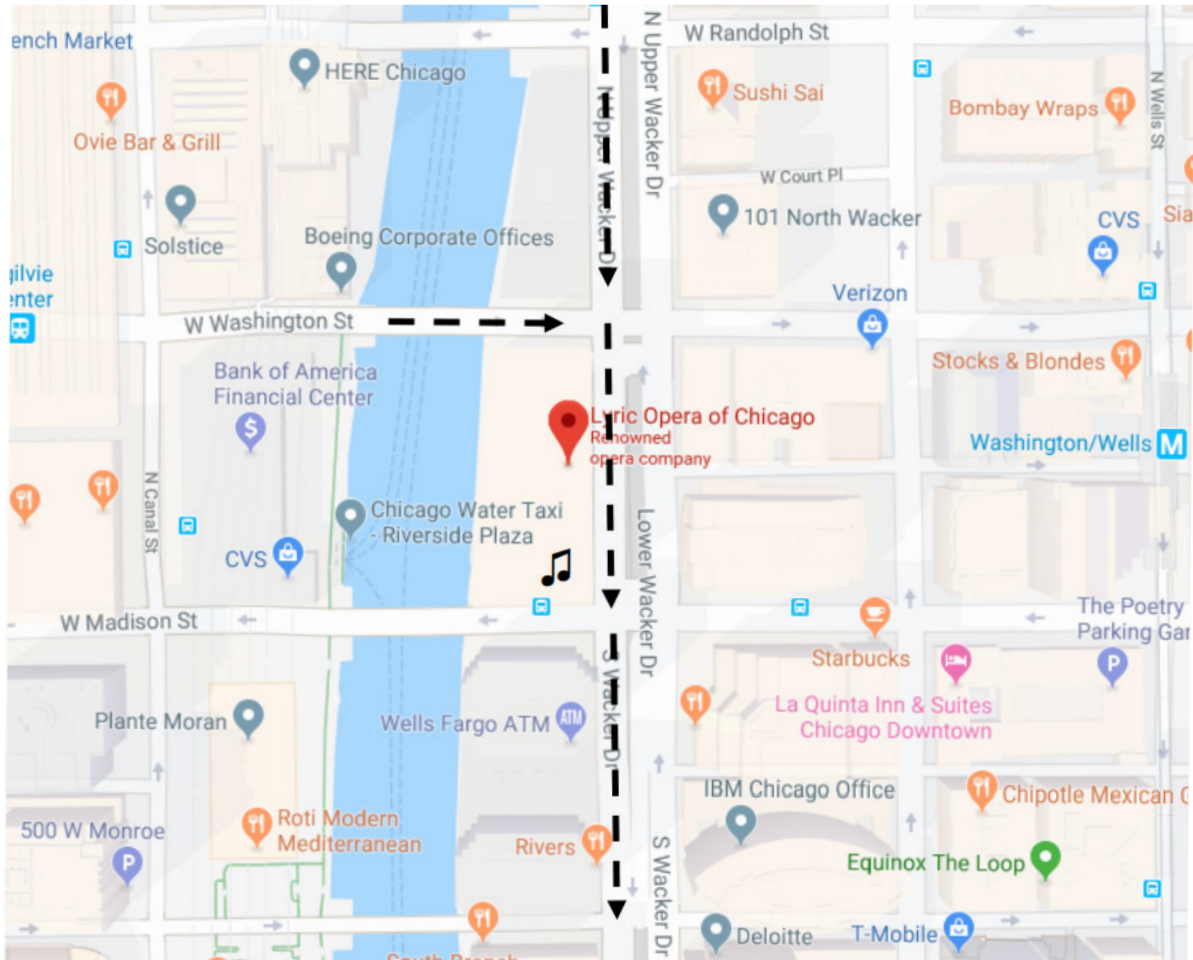

TEACHER RESOURCES

Teacher resources are available for select performances to help lead class discussions about the opera. We encourage you to use these in your lesson plans prior to the performance to give students a taste of what they're going to see onstage. To learn more, visit lyricopera.org/learningresources.
